ABOUT ME

Motivated and detail-oriented aspiring UI/UX Designer and Front-End Developer with hands-on experience in designing and developing responsive web applications using HTML, CSS, JavaScript, Bootstrap, and Figma. Completed a Food Delivery App project with a focus on user-friendly design and seamless user experience. Along with professional experience in Samsung Customer Care, I have developed strong communication, problem-solving, and teamwork skills. Eager to contribute my creativity and technical skills in a professional development environment.
